Information Sheet of the Manufacturer

SUBJECT: CPR 305/2011/EU

Dear Sirs,

The Construction Products Regulation (CPR) 305/2011/EU comes into force in EU Countries on 1st July 2013, transposing into law the requirements laid down in the Construction Product Directive (CPD) 89/106/EEC. This Regulation requires manufacturers to supply products with a Declaration of Performance (DoP) and apply CE marking to all of their products which are covered by a harmonised European standard (hEN) or European Technical Assessment (ETA).

With reference to the content and requirements of the CPR 305/2011/EU and to all applicable related documents, we hereby declare that our products have not to be CE marked and supplied with a Dop Declaration of Performance in accordance with CPR 305/2011/EU because no harmonized European Standard or European Technical Assessment in accordance with the CPR 305/2011/EU is applicable to them.

Alessandro Crimella
Technical Manager

Claudio Ardizzoia
